**John Mullahy**, University of Wisconsin-Madison

**Edward Norton**, University of Michigan

**Nicholas Papageorge**, Johns Hopkins University  
&

Director of Outreach

**Monica Garcia-Perez**, St. Cloud State University

## 2020 AHEW

The AHEW provides a forum to discuss the use of econometric and other quantitative methods to address issues in health economics and policy, health services research, and outcomes research. It is the first series of meetings of its kind in North America and facilitates the exchange of ideas among the growing health econometrics community.

### SPONSORS

—  
2019 AHEW is sponsored by the University of Tennessee. The views expressed in written conference materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services; nor does mention of trade names, commercial practices, or organizations imply endorsement by the U.S. Government
